## ALL BRANCH 78 MEMBERS

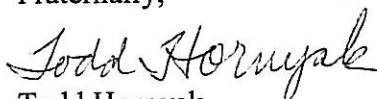

On Saturday January 14, 2012 seventeen year Letter Carrier Doug Poole from Linden Station (43211) was involved in a serious accident while delivering mail. Doug had the hatch open and was preparing mail for his next relay when an SUV struck him from behind at a high rate of speed pinning him between the mail van and SUV. Doug was critically injured and both legs were broken. He had no chance to avoid this serious accident. Our thoughts and prayers are with Doug, his wife Tracy and three children. Doug is still in the Intensive Care Unit at Ohio State University Medical Center. Doug has been through several surgeries already. Friends of the family have set up a fund for Doug and his family for the long road to recovery that he faces. Donations can be made at any US Bank.
